Shubhda Junior College

2019

Malegaon, Maharashtra, India

Percentage: 62.62

**Maharashtra State Board of Secondary and Higher Secondary (SSC)**

KBH Vidyalay Malegaon Camp - Nashik

2017

Malegaon, Maharashtra, India

Percentage: 86.60

## PROJECTS

**SpringBoot Project - Book Store Management System**

A simple web application designed for managing bookstore operations efficiently, leveraging Oracle Database and REST API. This system enables comprehensive book management with capabilities to update, delete, and add entries.

**Java Project - Fee Management Application**

Developed a fee management application using Java Servlets with HTML5, CSS, and Bootstrap for the frontend, and Oracle 11g for the backend. Implemented role-based functionalities allowing Admins to manage accountants, and Accountants to manage students and fee statuses.

**Banking Management System**

Tools: Java, Spring Boot, SQL, Angular

Role: Full Stack Developer

- Developed functionalities for account management, transaction processing, and loan handling.
- Implemented secure user authentication using Spring Security.
- Designed a user-friendly front-end using Angular.
- Managed data persistence and transactions with Oracle 11g

## CERTIFICATIONS

**Full Stack Developer - Java with AI and ML (Certificate Course)**

Seed Infotech, Pune

February 2024 – September 2024
